Model Name: V193WL(LED)
Color: Dark gray with black square base
Size: 48 cm (19" Wide) 16:10
Native Resolution: 1400X900
Response Time: 5 ms
Brightness: 250 nits (cd/m2)
Contrast Ratio: 8,000,000:1 (ACM)
Viewing Angle: 160° (H), 160° (V)
Input: Analog, Analog, optional DVI with HDCP support
In Addition: Optional Multimedia

Features Summary

- **Solid and ergonomic design**

The smart and slim **48cm** display is cased within **an attractive black chassis** which is easy to integrate into any modern office or home environment with space limitations.

- **White LED technology**

Integrating white LED technology minimizes environmental impact. And up to **68 percent lower power consumption**, improved durability and mercury-free materials translate to big savings and preservation of nature's energy resources

- **Brilliant color with crisp results**

The generous **contrast ratio of 8,000,000:1** creates crisp images and detailed data results.

- **Acer EcoDisplay management**

Acer V193WL s EcoDisplay-Ready, complying with Acer's commitment to carry out product design and materials management distinctly meant **to reduce environmental impact**. EcoDisplay-ready LCD monitors have achieved environmentally friendly design status in the following ways:

- o Capacity for product recycling.
- o Management of restricted substances.
- o Power-saving design white LED.
- o Product thinness and minimalist packaging design.
- o Mercury Free.

- **Acer eColor Management**

The acer Empowering Technology enables users to fine-tune and personalize the display settings by **redefining the color precision** according to the work mode whether data, media, cinema or images.

- **Acer eDisplay Management**

Acer eDisplay Management is a powerful display tool enabling advanced **color calibration** and display management for previewing and adjusting all settings enabling winning results!

- **High quality and long term viewing**

The V193W integrates only Class A panel guaranteeing a consistent image, also certified by **TCO 03** and **ISO 13406-2** qualifying the display as high quality in terms of design and performance.
